Adam and Bridget,

At the request of counsel, plaintiffs are supplementing the production of expert Jeffrey Davis with the results of a biodegradation rate sensitivity analysis discussed at Mr. Davis' deposition today. The production has been uploaded to the shared folder on JEFs under [2025-02-13 Track 1 Trial Plaintiffs Phase I Rebuttal Expert Supplemental File Production](#).

Kailey, Haroon, and Giovanni- I've attached a copy of the four files produced for easy access.

Let me know if you have any issues accessing the production.

Sincerely,

Devin
